

CREATE YOUR OWN STUDENT ORGANIZATION

If you have checked out all of the current organizations on campus and none of them are what you are looking for, then it may be time to start a new organization.

- 1. Create** a mission statement
- 2. Find** 9 other students who want to join
- 3. Establish** the executive board
- 4. Find** an Advisor (full-time faculty or staff)
- 5. Build** a constitution that meets your needs
- 6. Complete** the online organization application

The next steps are completed by the Student Government Association members and then the Student Development and Activities staff

- 7. Application** routed to Student Government Association for review
- 8. SGA** invites leadership to speak for the organization
- 9. Next Steps** Staff from Student Development and Activities will contact you for next steps
