Send in before Wednesday 5pm

Kiara

- International student is now on the website revised by carol and todd. Awaiting something something to happen the job thing is up and interviews begin !!

Aubrey

- Meet with Julia Huntington a few weeks ago meet now meet with Brenelle. She based her work off of the previous work done with the language minor.

Steven

- no updates
- Email Brenelle with availability and set-up meeting time

Shealyn

- Self Defense Class Updates

Julia-

Recycling signage & SPIN Team: Had our first SPIN team meeting with Katie LeBesco, Dr. Matthew Lundquist, Lucy Wells and a representative from Sustain MMC. We went over our school's Sustainability plan (she will be receiving an updated version). Each of us is to bring an idea to the table with what we want to work on. Lucy Wells notified us that we could potentially be switching our garbage disposal system, so the signage has been put on hold until it is confirmed what the plan is.

- The Science Society has gathered the slides and other info needed for the Safer Sex Week collaboration on Wednesday. We will have two slides with two microscopes, info sheets on the bacteria and two posters.

- Met with emily kerandy went over the proposal. Offer a tabling event students do not know anything about it.

- Making a school wide change but they do not have signatures to back up their

Dejah

- The housing fair was great, attendance was the only drawback (as usual) but cemented some really great relationships with both REZI and Bungalow living and I'm hoping to be able to pursue getting them to come to Strawberry Fest.

- The fetishization forum is on Wednesday and Romello and Dejah are preparing for that.

- Try to get Rezi a table at Strawberry and Apple fest(sponsored by SGA) college is not liable for anything

Marchael

- Two weeks ago met with peter about media enhancing. Interest in working on the media outlets. Actively want to work with SGA about creating an outlet for students to put their talent and work out there (production club, tv studio to practice news casting)

- Potentially have Marymount's own TV series, news stations, having the weekly news feed actually being broadcasting in the school.

First Year Council-

- Social media is up and running (Facebook & Instagram)
