# SUMMER IN NYC

## SUMMER ACADEMY NYC

**Marymount Manhattan College (MMC)** is located on the Upper East Side, one of Manhattan's safest and liveliest neighborhoods, full of streets lined with beautiful brownstone homes, convenient shopping, world-class museums like the Metropolitan Museum of Art, and many of the City's best restaurants. Central Park—a great place to jog, relax, or people-watch—is just a short walk away.

MMC's Summer Academy offers a wide range of weeklong intensive programs for high school students, designed both to introduce students to the college environment and challenge them academically, and to offer a glimpse into the boundless opportunity of a college career in the world's greatest city.
