Article I – Recognition and Union Security

1. This Agreement shall be binding on each signatory to this Agreement.
2. The Union is recognized as the exclusive bargaining representative of all full-time and regular part-time employees employed as Engineers, Lead Mechanics, Maintenance Mechanic I's, Maintenance Mechanic II's, Maintenance Mechanic III's, and Apprentices by the College. Where these classifications are represented by the Union, and wherever the word "employee" appears herein it shall refer to all such classifications of employee. Part-time employees are those employees who work less than thirty (30) hours per week. Notwithstanding any other terms herein, part-time employees are not entitled to any benefits, including but not limited to health, pension, vacation, holiday, sick days, etc., nor any limitations on job scheduling or job assignment contained herein, subject to the terms of Article II, section 4(e) below. Employees who regularly work between thirty (30) and thirty-seven and one-half (37.5) hours per week shall receive prorated benefits. This Agreement shall not cover temporary or casual employees.
3. The Employer shall not enter into any agreement contracting for the performance of work and/or for the categories of work heretofore performed by employees covered by this Agreement except within the provisions and limitations set forth below. Notwithstanding the foregoing, and further notwithstanding the terms of paragraph five (5) below, the College may continue to contract out any work or services which have been contracted out prior to the execution of this Agreement without limitation, whether or not such work is of the type covered by this Agreement, so long as the bargaining unit maintains at least four (4) positions, and the College does not increase the size of the workforce outside the bargaining unit performing such work.
4. The College may contract out work of the type covered by this Agreement on a temporary basis if the bargaining unit employees are unable to perform such work due to the nature and requirements of the work, or the unavailability of the bargaining unit employees, either based on the management needs of a particular project, or the operational needs of the College with respect to the bargaining unit employees, or in the event of an emergency, requiring additional persons without regard to the requirements set forth in paragraph five (5) below. However, any full-time employee hereafter hired to perform the work covered by this paragraph who performs that work for more than sixty (60) consecutive days shall be deemed a part of the bargaining unit and covered by the terms of this Agreement.

5. In the event the College seeks to contract out the engineering and maintenance services covered by this Agreement; it shall do so in compliance with the following provisions:
 - (a) The Employer shall give advance written notice to the Union at least three (3) weeks prior to the effective date of its contracting for such services, and set forth the name and address of the contractor.
 - (b) The Employer agrees that its employees then engaged in the work covered by this Agreement, which is to be contracted out shall become employees of the initial contractor or any successor contractor and agrees to employ or re-employ those employees then in the employ of the contractor at any time that such contracts are terminated or canceled. This provision shall not be construed to prevent termination of any employee's employment under other provisions of the Agreement relating to illness, retirement, resignation, discharge, or lay-offs.
 - (c) As a condition of such contracting, the Employer shall require the contractor to become a party to this Agreement.
6.
 - (a) The Employer shall give notice of vacancies in the bargaining unit to the Business Manager of the Union by facsimile. If the Union is unable to supply a qualified person acceptable to the Employer for such opening within ten (10) business days of receipt of such notice, or if the Union waives its right to attempt to supply such a person, or if there is an emergency need to fill the position immediately then the Employer may hire a person sooner. All employees must become members of the Union after the thirtieth (30th) day following their employment.
 - (b) The Employer shall determine, in its sole discretion, the manner of replacing employees absent, on vacation, or a leave of absence. In the event the Employer has at least ten (10) days' advance notice of an employee's absence (e.g., scheduled vacation), the Employer shall contact the Union for a replacement if it elects not to cover the shift on an overtime basis utilizing a bargaining unit employee. The Union shall have five (5) days from time of notice to supply a qualified person acceptable to the Employer for such replacement shift. Should the Union be unable to supply a qualified person acceptable to the Employer within such time, the Employer may then hire a replacement at its discretion.
7. Upon receipt by the Employer of a letter from the Union's Recording Corresponding Secretary requesting any employee's discharge because he/she has not met the requirements of Union membership under the Agreement, the employee shall be discharged within fifteen (15) days of said notice if prior thereto he/she does not take proper steps to meet said requirements. If the Employer questions the propriety of the discharge, he/she shall immediately submit the matter to grievance, and if not thus settled, to arbitration for final determination. If it is finally settled or determined that the employee has not met said requirements, the employee shall be discharged within ten (10) days after written notice of the final determination has been given to the Employer.

The Union will hold the Employer harmless from any liability arising from a discharge asked by the Union pursuant to this provision, provided the Employer has done nothing to cause or increase its own liability concerning removal of employees.

Article II – Wages, Hours, & Working Conditions

1. Employees shall be paid in accordance with the scale of wages as set forth on the assent filed hereto.
2. (a) Each Employer agrees to deduct the Union's monthly dues, credit union, and political action deductions, and all legal assessments from the pay of each employee from whom it received written authorization for each such type of deduction and will continue to make such deduction(s) while the authorization remains in effect.
(b) Such deductions will be made from the pay for the first (1st) full pay period worked by such employee following receipt of the authorization, and thereafter will be made the first payday each month and forwarded to the Union not later than the twentieth (20th) day in each and every current month. Such deductions shall constitute trust funds while in the possession of the Employer.
(c) If a signatory does not revoke the authorization at the end of a year following the date of the authorization, or at the end of the current contract, whichever is earlier, it shall be deemed a renewal of authorization irrevocable for another year, or until the expiration of the next succeeding contract, whichever is earlier.
(d) The Employer agrees to use the lawful forms supplied by the Union for check-off. The Union agrees to indemnify and save such Employer harmless from any liability incurred without fault on the part of the Employer by reason of such deduction.
3. Any employee required to replace a higher classified employee due to illness, vacation, or leave of absence for at least one (1) consecutive week shall be paid at the rate of the higher classified employee, which higher rate shall be effective as of the first day of such replacement.
4. (a) The standard work week shall be considered Monday through Sunday at thirty-seven and one-half (37.5) hours per week, consisting of five (5) days of seven and one-half (7.5) hours each, exclusive of a thirty (30) minute unpaid meal period. Overtime shall be paid at the rate of time and one-half (1.5X) the regular straight time hourly rate for all hours worked in excess of forty (40) hours per week. There shall be no split shifts. For purposes of calculating overtime, holidays which fall on a regularly scheduled workday and scheduled and approved vacation days shall count as time worked, but sick days and all other paid time off shall not be counted as time worked. The Employer shall have the right to increase an employee's standard workweek to up to forty (40) hours per week (but not more than eight [8] hours per day) upon one (1) week's notice to the employee. Employees may be required to punch in

and out for lunch.

- (b) Every employee shall be entitled to two (2) days off in any seven (7) days. Employees employed as of the date of this Agreement shall be entitled to two (2) consecutive days off in any seven (7) days.
- (c) Each workday shall include a thirty (30) minute unpaid lunch period. Such period, at the Employer's option, shall be taken on or off the premises at a scheduled time within two (2) hours of the middle of the shift, and should the Employer opt for on premises, at such suitable place compatible with building needs as may be designated by the Employer. Should an employee be required to take lunch on the Employer's premises, the employee shall be entitled to pay for the lunch period. Should the employee not be allowed to take a thirty (30) minute lunch period, the employee shall be paid at the rate of time and one-half (1.5X) his regular rate for any portion of the lunch period not provided.
- (d) The sixth (6th) and seventh (7th) days actually worked (i.e., paid days off which count as time worked pursuant to section 4(a) above are not days "actually worked" for the purpose of this subsection) in any week shall be premium days, and any work performed on those days (regardless of whether the employee has worked over forty [40] hours in the week) shall be paid for at the rate of time and one-half (1.5X) the regular straight time hourly rate of pay.
- (e) Notwithstanding any other terms herein, part-time employees shall not be eligible for overtime or premium pay unless he or she works in excess of forty (40) hours in a week. In the event the Employer seeks to create a new regular part-time position within the bargaining unit which is less than thirty (30) hours per week, the Employer shall meet with the Union prior to implementing such position.

5. No provision of this Agreement shall be construed as to lower the weekly, daily, or hourly wage of any employee.
6. The Employer may require, subject to the Employee's advance written consent and without cost to the employee, that an employee's check be deposited electronically at the employee's designated bank. The Union shall be notified by the Employer of this arrangement.
7. Call in: An employee called back to work after his normal shift, or called in on a day off, shall be guaranteed a minimum of four (4) hours' pay at time and one-half (1½X) the straight time hourly rate of pay, and may be required to work at least four (4) hours at the Employer's discretion.

Article III – Right of Management

1. The Employer retains the exclusive right to manage the business; to direct, control and schedule its operations and work force, and to make any and all decisions affecting the business, whether or not specifically mentioned herein and whether or not heretofore exercised to the extent

not otherwise inconsistent with the language of this Agreement. Such prerogatives shall include, but not be limited to the sole and exclusive rights to: hire, promote, lay-off, assign, suspend, discharge, and discipline employees; select and determine the number of employees, including the number assigned to any particular classification; to reassign job duties as necessary without reducing the size of the bargaining unit; and to direct and schedule the shifts of the work force.

2. It is agreed that the employees will cooperate with management within the obligations of this Agreement to facilitate the efficient operation of the building.

3. If, through the grievance procedure or by decision of the Arbitrator, it shall be found that an employee has been unjustly discharged, such employee shall be reinstated to his former position without loss of seniority or rank, and shall suffer no reduction in salary, and in such event, the Arbitrator shall be empowered to determine whether and to what extent the employee shall be compensated by the Employer for time lost.

Article IV – No Strikes or Lockouts

1. During the term of this Agreement, there shall be no stoppage of work, strike, sympathy strike, lock out, or picketing in respect to any signatory building, except as provided in Section 2 of this Article. In the event of a violation of this provision by any of the parties to this Agreement, such matter shall be submitted immediately to an Arbitrator for such actions as the Arbitrator deems necessary.

2. (a) If an award against the Employer by the Arbitrator for Welfare, Annuity, Sick Pay, Training, or Pension Fund payment, or a judgment confirming such an Award, is not complied with within two (2) weeks after such award or judgment is sent by registered or certified mail to the Employer at his last known address, the Union may, unless in the case of an award, the Employer has moved in court to vacate said award, order a stoppage of work, strike or picketing in the building involved to enforce such award or judgment, and it may also thereby compel payment of lost wages to any employee engaged in such work stoppage or strike. Upon compliance with the Arbitrator's award and/or judgment and payment of lost wages, the stoppage of work or strike shall cease.

(b) The Union shall not be held liable for any violation of this Article where it appears that it has taken all reasonable steps to avoid and end any violation.

Association. The selection of the arbitrator and the arbitration itself shall be conducted in accordance with the rules of the American Arbitration Association.

The arbitrator shall not have the authority to add to, subtract from, modify, or amend the provisions of this Agreement.

The decision of the Arbitrator shall be final and binding upon the Union, the Employer and the employees affected thereby. The arbitrator's fees shall be borne equally by the parties.
