

Fulbright ETA Applications

Statement of Grant Purpose

Address the following points:

- Why do you wish to undertake an ETA opportunity?
- Why are you applying to this specific country?
- What do you bring to the classroom that will enrich the learning experience of English language learners overseas?
- What specific ideas do you have for engaging with students and helping them to learn English?
- What specific qualifications, training, or experiences do you have to prepare you to serve as an ETA?
- How do you expect to benefit from the assignment?
- What plans do you have for civic engagement outside the classroom?
- Do not make your Statement of Grant Purpose location-specific within the host country, unless specifically requested to do so in the country summary. ETAs will be placed by the Fulbright Commission or the U.S. embassy in the host country, so nothing addressed in the Statement of Grant Purpose should be location-specific since you will not know where you will be based and what particular resources will be available.

Adhere to the proper format:

- Length is limited to a maximum of one single-spaced page. Longer statements will not be presented to the screening committee.
- Use 1-inch margins and Times New Roman 12-point font.

 - On line 1: Statement of Grant Purpose
 - On line 2: Your Name, Country of Application, and English Teaching Assistant Program

Personal Statement

Make it Personal: This statement provides you with an opportunity to introduce yourself to the screening committee members on a personal level. The style is up to you, but the content should convey your background and your motivation for applying to the specific Fulbright Program in question and how this background relates to the proposed project and your future goals.

Do not repeat information from other parts of the application.
